

Dear Friends,

For the past few months the muse has kept me happily busy in the electronic darkroom. I am thrilled to announce the publication of **THE BOOK OF MONKS**, a series of 31 *photages* in a limited edition of 50 hardbound copies, numbered and signed (electronically). They are being printed and shipped by Apple in the U.S. The price is \$100 per copy with 25% of the proceeds benefitting the BIG JOY film project ([www.BigJoy.org](http://www.BigJoy.org))

I will be pleased to inscribe and sign your copy with pen when I see you in person.

To order your copy please respond to:

and send your check payable to Joel Singer to:

Warm regards,  
Joel
